

There are only two places to spend eternity
(1) In the presence of Yeshua or (2) Not in the presence of Yeshua
After you die, you will go to one of the two places

(1) IN YESHUA'S PRESENCE

1. People who confess that they are bondslaves of Yeshua - they have no King but Yeshua.
2. People who are profoundly grateful for Yeshua's sacrificial death.
3. People who know that the evidence shows that Yeshua died, and returned to life.
4. People who know that Yeshua is the only way to salvation, and have accepted Him as Savior, and made Him Lord of their life.
5. People who love Yeshua.
6. People who are born twice.
7. People who are against abortion.
8. People who delight in studying Yeshua's Word. It will be studied for eternity.
9. People who condemn mixing Yeshua's way of life with any Eastern rituals.
10. People who refrain from commerce on the Lord's Day.
11. People who enjoy the company of Yeshua's bondslaves.
12. People who condemn homosexual behavior.
13. People who know that God hates divorce.
14. People who condemn sex outside of the marriage of a man and a woman.
15. People who believe the Bible.
16. People who know that Yeshua spoke the universe into existence.
17. People who work / fight / vote for Yeshua and His Kingdom.

(2) NOT IN YESHUA'S PRESENCE

1. People who say they are servants of no one.
2. People who say they did not ask Yeshua to die for them.
3. People who do not comprehend the significance of Yeshua's death and resurrection.
4. People who think there are many ways to salvation. These people will not be happy in Yeshua's presence - He said that He is the **only** way to salvation. *Yeshua will not accept anyone who says His death was not necessary.*
5. People who don't have any feelings about Yeshua - or they hate Him.
6. People who are born once.
7. People who support leaders and organizations that are pro-choice. Such people will not be comfortable in the presence of The Creator of Life.
8. People who get little pleasure from studying Yeshua's Word. Such people will not be comfortable spending hours listening to Yeshua teach His Bible.
9. People who combine the Bible with secret Eastern rituals. Yeshua said to be separate. He is a jealous God.
10. People who buy and sell on the Lord's Day.
11. People who are not comfortable in the presence of fundamentalist Christians.
12. People who think that sexual preference is up to each person. Such people will not be happy in Yeshua's presence - He said homosexual behavior is an abomination.
13. People who do not think that divorce is a sin.
14. People who think that sex outside of a Biblical marriage is OK.
15. People who ridicule Yeshua's Word.
16. People who maintain that the universe is the product of evolution - nothing created something! *If in the beginning there was nothing, there would be nothing now.*
17. People who do not work / fight / vote for Yeshua and His Kingdom.

Some knowledge of modus ponens and modus tollens is needed to intelligently consider these propositions
